High school urges action on pollution

Altona High School has declared war on pollution. A petition urging Altona Council to increase the manpower and equipment of its health section, has been signed by the school principal, Mr. G. L. Shee and 602 Altona High School students.

A new guide commissioner

A new commissioner, Mrs. Nikoliev, has been appointed to the Williamstown District, Gellibrand Division, of the Girl Guide Local Association.

Any girls wishing to join guides or brownies in this district can phone her on 397 6170.

Mothers of girls already attending guides or brownies are welcome to attend meetings of the Girl Guide Local Association on the first Tuesday of each month at the guide hall, Peel Street, Newport, at 1.30 p.m.

The petition which was received by Altona Council on Tuesday night, reads: "We the students of Altona High School, humbly submit this petition to Altona City Council, with the request that firm positive action be taken by council to strengthen the health section of the council in manpower and equipment, in order that the fight against pollution of our community be ended in victory for the people."

"We the undersigned, affirm that we were adversely affected by air pollution today, Wednesday, May 3, 1972."

Reporting to council on the matter, Town Clerk, Mr. Sid Fell said the petition was signed by 831 students, 602 being students at Altona High.

Mr. Fell added that the school principal, Mr. Shee advised that on May 3 as a result of numerous complaints from staff and students about severe air pollution during the night and morning of that day, he had given permission for the collection of signatures to a petition.

Mr. Shee had said that senior students were given instructions to canvass in Altona and he had requested Dr. Leyden to hold consultations at school for some of the teachers affected by the fumes.

"I now enclose the petition for presentation to council at the earliest opportunity and would appreciate some indication of council's proposed action as a result of this petition."

Altona police to be strengthened

Altona's police strength will be almost tripled in September this year, when the

station in Blyth Street will be manned 24 hours a day.

Altona Council was

recently advised by the MLA for Williamstown; Mr. W. L. Floyd, that the strength of the station would be increased from seven to 19 men.

Mr. Floyd was informed by the Chief Secretary that the strength of the station would be: one senior sergeant, four sergeants and 14 senior constables or constables.

At present, there is one sergeant, one senior constable and five constables.

Recently, the Public Works Department purchased council-owned land in Altona North as the site for a new district station.

Pretty Rosemary Buckland, 17, relaxes at Altona beach, despite the cold weather.

STAR GAZE

A record number of tickets has been sold for this year's Altona Hospital Ball, which will be held at the Fiesta Ballroom in Footscray on Friday night. Proceeds will go to the hospital's building fund.

Spare a thought this week for Altona's little athletes. Last week, one or two thoughtless people galloped their horses straight across the newly-developed athletics track on Grant Reserve. More waste of the ratepayers' money.

Good to see all the road maintenance taking place in Miller's Road, south of Civic Parade. Council had been waiting to do this job for a couple of years, but until now CRB funds have not been available.

The south end of Pier Street has long been a "dead end" from a business point of view, but things are looking up. Nev (of Nev's Variety Bar fame) is moving things along with his Treasure Mart shop, where there are bargains galore for young and old. Unfortunately much of the treasure is being snapped up by TAB patrons before anyone else has a chance to get to it. So take the hint — beat them to it.

Mayor to have ball

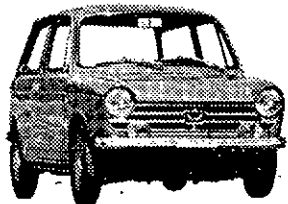

Tickets are available for the Altona Mayoral and Citizens Charity Cabaret Ball which will be held at Shirley Park Reception, Altona North, Friday, July 14.

The tickets, at \$16 a double, cover the cost of drinks and are available from the civic offices (phone 398 2244).

Proceeds from the ball, which will run from 8.30 p.m., to 1.30 p.m., will go to Altona District Hospital.

Music will be provided by an Irish 50-50 dance band from Gippsland.

CALL IN AND LOOK AROUND

Val's Column

Yes, you will have to come in and see Misslyn. Misslyn and the fabulous nail enamels. And what a range!

You can now be black and blue, green, brown, yellow, be "with it" with these new colors and all the latest in the pinks to purples. There are cream enamels and pearl enamels.

Firstly you will certainly need to have a good nail shape to be able to wear the unusual colors. Give your nails a professional type manicure, use a nail hardener if they are at all weak.

Mavalor nail hardener have a trial size bottle available for you right now.

Your nails are made of three layers and often need conditioning during their life span. They have a tough life you know!

A marvellous idea for nice, soft hands and at the same time healthy nails is continual use of Coty's special hand cream: A dual purpose cream.

If you are unhappy with your slow nail growth, or a broken nail spoils the whole effect; fool your friends a little by wearing one, two a set of false nails.

Here you can have instant perfect shape — then how fabulous these new colors look.

Now, what with central heating, air conditioners, heaters etc. the use of a correct deodorant all year round is most important. Maybe even more so in winter as we clutter up with more clothing, keeping body warmth — and odour near to us.

Do you know the difference between a deodorant and an anti-perspirant?

A deodorant will eliminate the odour of perspiration without checking the flow of moisture, whereas an anti-perspirant will reduce the amount of perspiration secreted.

Now take Confidence by Cylax. It comes in both deodorant and anti-perspirant. It comes in three strengths all with convenient roll-on applicators.

1. Confidence Lotion Deodorant. Recommended for the most sensitive skin. Gentle, creamy textured, lightly perfumed and non-greasy.

2. Confidence Liquid Deodorant. Recommended for normal or average skins. Gives day long protection. Deodorant and anti-perspirant action.

3. Confidence Extra Action—recommended for those needing extra protection. An extra strength anti-perspirant, effective against perspiration problems from all causes, including nervous tension. Have confidence — use Cylax Confidence.

Keep an eye on this section girls. A few more new lines arriving shortly that will be of great interest to you.

HERBERTS PHARMACY
PIER ST., ALTONA

He hasn't found any camels

ROB'S A JACK OF ALL TITLES

It is difficult to pinpoint what Robert Heyen's actual job is.

But, basically, Mr. Heyen, 27, of Tyquin Street, Laverton, works for Altona City Council.

Most people in the town call him 'the dog catcher' — but things are a bit more complex than that.

He is officially: ranger, registration officer, proper officer, authorised officer, assistant traffic officer and Crown Lands bailiff.

And he has got an identification pass for each job to prove it.

Robert and Susan Heyen have three children — Paul 6, Joanne 4, and John nine months.

Susan Heyen has got used to her husband being on call for 24 hours a day seven days a week during the three years he has held all positions but that of assistant traffic officer, which came six months ago.

As registration officer he collects the registration money of dogs.

His proper officer title permits him to collect any stray horses or other animals wandering around the city and take them to the council detention yard. This includes dogs — his major work — cows, sheep, goats and any other stray animal.

His predecessor found a camel!

As ranger, he patrols council property to ensure that no vandalism or similar acts are done.

As authorised officer he can book people for littering.

Assistant traffic officer, he books illegally parked cars.

As Crown Lands bailiff he deals under section 30 of the Lands Act, which covers all crown land and such incidents as stealing sand from the beach or trees and shrubs from parks.

He hasn't got a particular preference — he enjoys every aspect of his work.

And generally, people are really nice.

But he does come in for quite a lot of abuse both over the telephone and face to face to people usually over dogs.

"People are too careless with their dogs," he says.

"Often they don't try to find out if we have their stray dog because they simply don't want him back."

"I would never advocate chaining a dog up, but people have got to learn to keep their dogs inside their gardens."

He says that he does not go into parks and similar places where he sees gangs of youths causing

trouble but contacts the police on his radio.

"I have very good contact with the police in this area. We work together very closely," he said.

And, in fact, his uniform could be mistaken for a member of the law with the white peaked hat, blue jacket, shirt and tie and fawn jodhpurs.

He loads up a ute with dogs every Friday to take them to the North Melbourne Lost Dogs Home.

But, before doing this, he makes every effort to locate their owners.

"Some people are just plain overjoyed to get their dogs back and it makes the job a real pleasure," he says.

100 GUESTS

Over 100 guests attended the engagement party of Miss Cathy Jaap and Mr. Drew Millar at the Altona Baptist Church. Cathy is the eldest daughter of Mr. and Mrs. J. Jaap, of Kookaburra Street, West Altona, and Drew is the younger son of Mr. and Mrs. H. Millar, of Emu Avenue, Altona West.

College asks for trees

Altona Council has received a request for the donation of some trees to St. Pauls' College, Altona North.

In a letter to council, the college principal, Father Daniel Winters, wrote: "In an attempt to beautify the college grounds, the parents and friends association is planning to plant some trees along the drive, leading into the college and in a few other places."

"Mr. Norm Boyd has kindly given us some advice concerning the type of tree best suited for our purposes."

"We would be very grateful if your council would be able to make a donation of some trees needed for this project."

Altona Council agreed at its recent meeting to supply the college with some trees.

TRADE FAIR SPACE GOES

Bookings for space in the trade fair organised by Werribee Rotary Club are filling fast.

All space inside Centenary Hall has been booked and only a few outside stands are now available.

The fair will be held from August 25 to August 27.

BILL ROSS, of "Natural Thing", talks about muesli

TRY MUESLI IT'S GOOD

Muesli was introduced to the world many years ago by famous Swiss nutritionist Dr. Bircher-Benner.

Originally, Dr. Bircher-Benner's perfect breakfast was made up of rolled oats and shredded apple.

Since then his happy discovery has continued to evolve and change to meet the individual preferences of muesli lovers throughout the world.

Today a typical muesli contains as many as a dozen different ingredients.

These could include: oats, cracked wheat, skim milk, dried grapes and apricots, lecithin and honey.

About four dessert spoons of this mixture combined with fresh fruit allows muesli to meet a wide range of nutritional needs.

It can be served with yoghurt or warm or cold milk. And there's no need for later risers to hurry, because no cooking is involved.

With its whole grain base and vitality-giving fruits, muesli is infinitely superior to the many popular breakfast cereals.

A recent newspaper report illustrated just how poor in nutrition many of these are.

In fact the best of the cereals are made from a simple white flour and water base. If you like — library glue.

An all-round food, muesli provides an all-round service to the body.

Its complete range of the important B vitamins will result in good digestion and a regular elimination. Again these same vitamins have been of great assistance to those under stress.

It is unfortunate that they are missing in our modern diets.

No dieters, housewives, students and others are finding it increasingly difficult to meet the pressures of their "squirrel-cage lives."

It may also be true that there is a link between cancer and a diet deficient in B vitamins.

In her book, *The Silent Spring*, Rachel Carson cites an example where mice, fed on food rich in the B complex group, and exposed to a potent carcinogen, did not develop cancer, whereas the control group fed on a deficient diet did.

While I have concentrated on only one group of vitamins, there are others found in muesli.

Among these are the valuable A and E vitamins.

Is it any wonder the hardy and healthy Swiss have adopted it as their national breakfast?

CAMERA All tennis CORNER ladders

Busy — that's the key word for the Altona Camera Club during June.

At the next club meeting — June 16 — all members are requested to take their cameras. Each member will be allocated a team and then will compete against other teams in a portrait competition.

The results of the competition will be displayed and judged at the annual general meeting on Friday, June 30. Film will be made available to members at reduced prices.

Anyone in the western suburbs interested in photography is invited to join the club on a Friday night at the "Homestead". And any member of the "fairer" sex who would like to gain some knowledge of photographic modelling is welcome to "sit" for the club anytime.

Positions of clubs in both grades of Werribee Tennis Association, offer games on June 3 are:

A GRADE
Lara 24, Presbyterian (1) 24, Presbyterian (2) 20, Werribee 20, Methodist 12, Laverton 8, Church of England 4.

B GRADE
Methodist 24, Lara, 16, Presbyterian 16, RAAF 16, Werribee 12.

Club secretaries take special note that all players have to be registered before they can play.

Any club which plays an unregistered player will lose all points for that match and will be fired.

How to improve thy handicap

Just how does a golfer go about lowering his handicap? Rod Caithness (above) had this problem at Koorringal recently and he overcame it in spectacular fashion. Rod's handicap shot from the somethings to the nothings after an incredible round of 65. But that isn't all — the round saw Rod return 11 birdies. Even a Gary Player or a Jack Nicklaus would be delighted with such a round, but 35-year-old Rod appeared to be playing it cool. "Oh, I've had 65s around Koorringal before; but, never 11 birdies," he said. Only a few years ago he was sitting on a club handicap of two.

'DISASTER' IF POWER STATION GOES AHEAD

If the new Newport power station goes ahead as planned it will result in environmental and ecological disaster for the Williamstown area and possibly a great part of metropolitan Melbourne.

This was the clear message spelled out at last Thursday night's protest meeting, held at the Williamstown Town Hall.

An enthusiastic and vocal crowd of 350 people attended the meeting to hear stringent criticism of the station by three speakers.

Each of the speakers — Dr. Cyril Curtain, Cr. Peter Lalor and Mr. David Linke — have studied closely the probable effects of the power station.

After the three speeches were made, the meeting debated what action to take to register public disapproval of the power station plans.

After lengthy argument on the wording of a protest message to be sent to the Government, the meeting agreed to the original wording as submitted by Williamstown Conservation and Planning Society.

The message read: "We the citizens of Williamstown and residents of the metropolitan area are opposed to the building of a 1000-megawatt power station at Newport or anywhere in the greater Melbourne areas as it would add to the already heavy degradation of the environment."

The meeting also agreed unanimously to call on the Williamstown Council to call a further meeting on the power station issue, and that if it didn't act a

meeting would be called anyway.

Dr. Curtain, the most forceful of the three speakers, told the meeting that the building of the power station would be "the last straw" for the area.

"This station would create problems which will affect us and all of our neighbors," he said.

"The SEC would be abdicating its social responsibility if it builds the station."

Other points Dr. Curtain made about the station, due to be completed in 1974, were:

- That it would pollute the air over 38 square miles of the city with nitrogen and sulphur dioxide gases during temperature inversions.

- That it would cause 20 to 30 ft. banks of fog to blow across the mouth of the Yarra, disrupting shipping and smaller craft.

- That it would disrupt the local environment with steam blow-off noises.

"Every year, Melbourne has about 120 days of temperature inversion, when smoke is trapped above the city — much of the time around the 1000 ft. level," he said.

"The power station's chimney will be only 600

ft. high, and so, during temperature inversions, these very poisonous gases will shoot into the atmosphere."

Dr. Curtain, a chemist and senior principal research biologist with the CSIRO, also cast doubt upon the SEC's estimated cost of \$143 million for the power station.

He said he could see the final cost being much more.

Earlier, Mr. David Linke, who is president of the conservation group's power house sub-committee, told the meeting that the boilers planned for the station would be by far the biggest in Victoria.

"When the boilers at the Latrobe Valley blow off their steam the noise can be heard 12 miles away," he said.

"Research shows that the Newport station's blowers could reach the frightening noise level of 85 decibels — and these noises would occur between 12 and three in the morning."

"The SEC wants to build the station at Newport because it is the cheapest for them — they don't care about the effects on the community."

"It suits them, and to hell with us."

**All Colts beaten**

All Western Suburbs Colts sides lost their matches at the weekend.

The following is the draw for round two of WSCFL matches to be played on June 17: Altona v. Laverton, Werribee Centrals v. Altona Rovers, Williamstown Meths v. Holy Trinity, Westport a bye.

In WSCFL matches at the weekend against Preston-Reservoir Junior League, the under 10 side lost 1.1 (7) to 8.6 (54) the under 12 side lost 3.5 (23) to 8.10 (58) and the under 14 side lost 5.6 (36) to 6.12 (48).

Goal kickers and best players are available only for the under 14 side.

These were:

Goals: Aird (3), Donlan, Fowler.
 Best: Kerr, Hewatt, Dolan, S. Smith (capt.) Aird and Clarke.
 Kerr was presented with a football and Hewatt received a pair of socks.

CHARITY COMES BACK HOME

Wally McGuinness of the Rose of Australia Hotel, Williamstown, has been a blood donor for the past 14 years.

Little did he expect the events that followed when on October 9, last year he presented himself as usual at the Red Cross Blood Bank in Flinders Street to give blood.

On this occasion he was informed that his blood was below acceptance level, and was given a packet of iron tablets and requested to call again on completion of taking the tablets.

On October 17, Wally and his wife Marjie joined the band of golfers for the Dewar Cup Golf Carnival in Launceston — Tasmania and after touring the island returned to the mainland on October 28.

Calling at the blood bank again he was surprised to be informed his blood was still below acceptance level and was strongly advised to see his local doctor immediately for further investigation of his condition.

Wally called his local doctor and was given a Barium Meal Xray at the Williamstown hospital — this followed with a visit the Shepherd Foundation without any definite diagnosis of his condition.

He was then referred to a specialist and a Barium Xray of the bowel followed and finally he was admitted to the Freemasons Hospital and operated on December 28 for a growth in the bowel.

After convalescence and attending the Peter McCallum Clinic as an outpatient for five weeks he has now been cleared by them on the 6th April as being fully cured of his complaint — a visit to the blood bank shows his blood to be now at acceptance level.

Wally is now looking forward to a full season of golf and good health for the rest of his life, and would like his many friends in the hotel industry to seriously consider becoming blood donors.

He stated that the check up on your health at least three to four times each year is not only a safety valve as in his case — but your blood will be of use for a wonderful and hard working group of people who are often urgently requesting donors to call in response to their appeals.

UK JUDGES INVITED FOR SHOW

Two of England's most prominent lady judges have been invited to adjudicate at the 1972 Royal Melbourne Show, which commences on September 21.

Mr. H. Woodfull director of the Royal Agricultural Society of Victoria, said today that the RASV council had agreed to procure judges from overseas to officiate in the ponies classes, dressage tests, and riding competitions on the flat.

Miss Ann Hammond, of "Mill Fields Stud", Stetchworth, via Newmarket, Essex, England, has been invited to judge the saddle pony classes, shellands and connemara pony classes.

Mrs. Gold, of "Warfield House", Warfield, Brackwell, Berkshire, England, has been invited to judge the senior dressage tests and all single riding competitions on the flat.

Mr. Woodfull said that both judges have a wealth of experience in their specific fields but despite this they will be well tested by the huge Royal Melbourne Show programme.

Miss Hammond will have 11 classes including groups, and 10 championships to award in the shelland section; and with the connemaras, making their first appearance in Australia, four classes plus five championships.

Besides these she will have the big task throughout most of the 10 days and nights of the show, judging the saddle pony events.

Mrs. Gold's programme is equally as strenuous in officiating the dressage classes and riding competitions, both of which had all-time record entries last year.

Mr. Woodfull issued a reminder that all entries in the horse events, close on Wednesday, June 21, and must be in the hands of the director, Royal Showgrounds, Epsom Road, Ascot Vale, 3032, by 4.30 p.m. on that date.

CHURCH NEWS**HOLY TRINITY**

An excellent programme of light classical music has been arranged to mark the Festival of Music, to be held at Holy Trinity Church, Nelson Place, on Saturday, June 17 at 8.15 p.m.

Artists will include Leslie Kerr (organ), Ian Lowe (bass), James Pullen (classical guitar) and the Queensberry Singers.

Tickets are \$1 each and payment may be made on admission.

Talk about easy pickings

Reporting to Altona council recently on the release of more than 3,000 redfin in Cherry Lake, by the Fisheries and Wildlife Department, Cr. Harry Weaver pointed out that the fish released comprised 100 large breeding fish, approximately 400 smaller fish up to five inches in length and an additional 3000 fish of smaller size.

"It won't long before the lake will be swarming with redfin", said Cr. Weaver.

"I don't know about that", said Mayor, Cr. Pat Lynch.

"One small boy from Somers Parade told me the other day he'd already caught 10 of them".

Battle lines are drawn

Education action group wants uni. teachers' college

A university and teachers' college for the western suburbs are among the objectives of an education action group formed at a public meeting on June 8.

More than 100 people — representative of all western suburbs of Melbourne — attended the meeting in the assembly hall of St. Albans high school.

The meeting followed the recent successful "Seminar '72 — The Deprived West", which decided to form action groups to campaign for improvement in areas of deprivation in the western suburbs.

The meeting decided — in order of priority — six objectives of a campaign to improve educational facilities in the western suburbs.

It formed groups to consider and campaign for each of these objectives, selected a convenor for each group, and selected regional representatives of the education action group.

Mr. Col Thorpe, of St. Albans, who had been appointed provisional convenor, was elected as permanent convenor of the education action group.

Cr. Bon Thomas, MLC, who was patron of Seminar '72, officially opened the meeting.

Mr. Thorpe chaired the meeting.

The welfare officer for Sunshine City Council Mr. Collin Benjamin, outlined the broad objectives for education in the west, and led discussions.

Later, the meeting divided into groups to discuss more detailed aspects of the educational objectives, selected by the meeting as priorities, which included:

- **Involvement of parents in school activities** — The aim is to increase the awareness of parents to the importance of education as a whole, and to influence parents to be more active in the field of education.

- **Use of existing facilities** — The aim is to get the best use, for the community, of resources already available, such as schools, assembly halls,

sports grounds, the skills of teachers (after hours, weekends, holidays) and the use of libraries.

- **Facilities for teaching migrants** — To campaign for increased resources for the migrant population in the western suburbs, particularly migrant workers, with these increased facilities to include language laboratories and language teachers.

- **Teachers' college and university** — To campaign for a university and a teachers' college — promised for many years — in the western suburbs.

- **Research group** — To carry out all aspects of research into educational problems in the western suburbs and to provide information on which campaigns for improvements can be based.

- **Student group** — To enable students — the section of the community immediately and directly affected by the education system — to have their views known and to enable them to be involved in educational programmes.

The following group convenors — for groups within the education action group — were elected:

- **Parent involvement group** — Mr. H. E. Mullins, Flat 4, 36 Park Street, Moonee Ponds (telephone: 37 5486).

- **Use of facilities resources group** — Mrs. K.

Wheelahan, 72 Monash Street, Sunshine (3113208).

- **Migrant facilities group** — Miss Dorothy Page, 1 Stanley Street, Williamstown (397 6000).

- **Teachers' college and university** — Mr. Barry Bowers, 195 Taylors Road, St. Albans (396 2807).

- **Research group** — Mr. Lawrence Atley, 112 Alma Street, West Footscray (68 4558).

- **Student group** — Mr. Paul Panebianco, 35 Mayne Street, Sunshine (311 5142).

The following regional organisers were elected:

- **Sunshine** — Mr. Frank Ford, 50 Forest Street, Sunshine (311 1024).

- **St. Albans** — Mr. Howard Brown, 106 Oleander Drive, St. Albans (396 1015).

- **Melton** — Mr. H. G. Lam, 257 High Street, Melton (713 5445).

- **Footscray** — Mrs. Dickinson, 4 Vernon Street, South Kingsville (391 1351).

- **Williamstown** — Miss Dorothy Page, 1 Stanley Street, Williamstown (397 6000).

- **Werribee** — Mr. Neale, c/o Werribee High School.

A meeting of the group convenors and regional organisers will be held at the home of Mr. Howard Brown, 106 Oleander Drive, St. Albans, at 8 p.m. on Thursday, June 29.

POLICE BEAT

A car which was stolen from the car park of the Central Hotel, Altona North, last Saturday afternoon, was later abandoned and found badly damaged in Champion Road, Newport. The car, belonging to Mr. William Cig, of Bayview Street, was found by Sgt. Evans, of Williamstown police.

A green Holden sedan, it was taken from the car park between 4 p.m. and 7.15 p.m. It was found at 7.15 p.m. and had been in an accident. The car was valued at \$500.

Altona police are holding a man's bicycle, which was found on a nature strip in Myrtle Grove early last week. The owner can claim the cycle at the station.

Police in Altona has expressed concern at the number of people who are advertising cars for sale in the streets. It is an offence to place a "for sale" notice on a car which is on a public highway. However,

the law on this applies only to cars on streets or on driveways outside the property itself. There is nothing to stop a person advertising a car for sale if it is on their property at the time.

Seaholme resident, Mrs. MacFarlane, of Beach Street, has reported the loss of an Afghan pup. The pup, with a fawn and white chest and a black face, was wearing a tartan collar with the name "Sheiba" when it disappeared. Anyone with information is asked to contact Mrs. MacFarlane, phone 398 2172.

Mr. Bruce Antonoff, of Blyth Street, recently reported the loss of \$40 in cash to Altona police. Mr. Antonoff lost the money last month in Pier Street, between Railway Street and Blyth Street.

Mr. Antonoff told police he was walking from the National Bank when he lost the money.

Local among midwifery graduates

An Altona woman
was among eight
midwifery gradu-
ates at the Foot-
scray and District
Hospital last week.

She was Mrs. Esme
Andrew, pictured extreme
left.

Other graduates were,
from left to right, Mrs. Pa-
tricia Delaney, Seymour,
Mrs. Yolanda Ingley, Sun-
shine, Mrs. Sylvia Morby,
Footscray, Mrs. Judith
Primmer, Norlane, Mrs.
Helen Thomas, Lawson,
Mrs. Lorraine Uhe, Reser-
voir, Mrs. Janny Williams,
Williamstown.

YOUR RATES AT WORK

City Engineer, Mr. Ralph Simmons, made the
following fortnightly report on council contracts, to the
meeting of Altona Council on Tuesday night:

● Altona Meadows
subdivision — stage two
— P.S. Scheme No. 104:

Excavation of the road
bed in Hook Street was al-
most completed. Ex-
cavation work at the
intersections of Queen and
Talbot streets and Queen
and Shirley streets was
completed. The spreading
of bituminous treated
crushed rock in Shirley
Street is in progress.

★
● Queen Street —
widening and reconstruc-
tion.

Spreading and consoli-
dation of bituminous
treated crushed rock was
completed. Spreading and
consolidation of bitu-
minous concrete is in pro-
gress.

★
● Millers Road
reconstruction:

Excavation of the road
bed and spreading of base
course material and of
bituminous treated
crushed rock was com-
pleted in the section of

Millers Road between Es-
planade and Queen Street.
Spreading of bituminous
concrete in this section is
about to be undertaken.

Following the replace-
ment by the Board of
Works of the old water
main in Millers Road be-
tween Civic Parade and
the Railway Crossing, ex-
cavation of the road bed in
this section was com-
menced.

Water-logged areas with
negligible bearing capacity
were encountered along
the western portion of the
roadway and a pavement
depth exceeding five feet
will consequently result in
these areas.

Excavation of the road
bed and spreading and
consolidation of base
course material along the
western half of the pave-
ment was completed.

Excavation of the road
along the eastern half of
the roadway is in pro-
gress.

★
● Intersection of
Blackshaws Road and
Grieve Parade:

Final surfacing of the
north-east and south-east
returns, where widening

was undertaken, was com-
pleted.

★
● Intersection of Koro-
roit Creek Road and
Grieve Parade:

Excavation of the road
bed was completed in
Grieve Parade for a dis-
tance of 300 feet north of
Kororoit Creek Road and
base course material and
cement-stabilised crushed
rock was spread and con-
solidated. The laying of an
underground drain is in
progress.

★
● Resurfacing Works:

Bituminous concrete
surfacing was completed
in Karingal Street, in the
section of Harrington
Street between Karingal
Street and Grieve Parade,
and in the western pave-
ment of Grieve Parade be-
tween Belmar Avenue and
Charles Road.

★
● Altona Youth Club
building:

Roofing of the hall to be
used by the St. John Am-
bulance Brigade was com-
pleted.

Windows have been
fitted and flooring is in
progress.

★
● W. L. J. Crofts Re-
serve:

The erection of posts
around the soccer field
was completed.

Removal of rocks from
the surface of the football
oval and from the soccer
field was undertaken and
the areas were levelled.

Pipe railing is about to
be attached to posts
around the oval.

ART ENTRIES ROLLING IN

Several entries have
already been received
from artists wishing to
exhibit at the exhibi-
tion being arranged by
Werribee chapter of
Beta Sigma Phi.

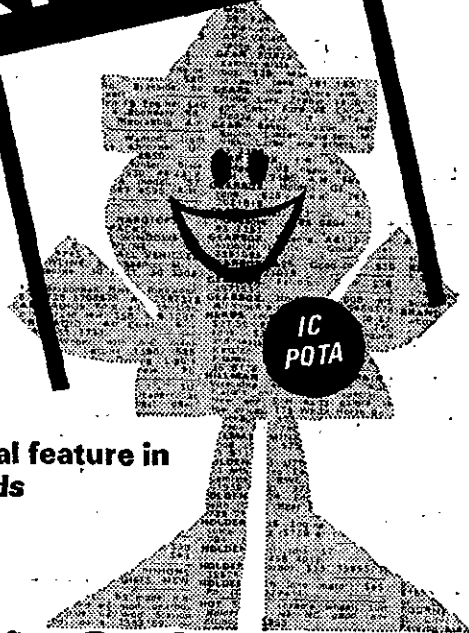

The exhibition will be
held in Centenary Hall,
Werribee, from September
16-19 inclusive.

Last year's show was a
brilliant success and the
ladies of Beta Sigma Phi
would like to remind in-
tending exhibitors that
prizes will again be offer-
ed in six categories with
special sections for
secondary schools within
the Shire of Werribee.

Entry forms may be ob-
tained from Mrs. J. Bellin,
Sneydes Road, Laverton,
phone 399 1161, or from
Mrs. I. Knox, 3 Wedge
Street, Werribee, phone
741 2481.

Accessories, Tyres & Heating

Another big editorial feature in
"The Age" Classifieds
NEXT SATURDAY.

Next Saturday "The Age" special writer Jim Murcott will introduce yet
another special feature in "The Age" Classifieds dealing with acces-
sories, tyres and heating.

This will be a big promotional coverage of almost every available "go"
and "show" item for cars.

This feature gives details of dress-up and "go-fast" gear, a guide to
types of wheels and looks at heating and burglar alarm systems.
Don't miss this special in "The Age" Classifieds next Saturday — "The
Age", the BIG paper for Classifieds.

MOTORING SECTION

● Pictured is "Cindy Baby", another exhibit at the International Auto Sports & Motor Cycle Show which closes this Sunday. The show has been a complete success, according to the organisers, Abbot Exhibitions, especially over the holiday weekend. "Cindy Baby" is a motorcycle with a difference. The frame is a tricycle using a Ford differential with wide wheels and fat Goodyear racing tyres at the back and a Californian chopper's extended fork front end. Lavish use of chrome and enamel highlight the frame and the highly polished alloy Yamaha motor sits under the coachman's seat. But the real feature is the coach body which is a bright orange vinyl covered pumpkin. Plushly upholstered, the pumpkin seats four people in luxury — easily the most comfortable motor cycle in the world. The coachman sits high on the special seat above the motor to control the beast. The 6 ft. high pumpkin is suspended on four coil springs

Continued on page 13

CHOOSING THE RIGHT RUBBER...

When it comes to buying tyres for your car the ranges in price, type and variations make decisions difficult.

You are forced into the problem of choosing between radial and conventional and there's a lot to be considered.

Once you make up your mind you are still faced with an enormous pattern and price range.

Next Saturday "The Age" will take some of the guesswork out of it in a special 'Auto Accessories' feature.

"The Age" special writer Jim Murcott knows tyres.

A competition driver and enthusiast his valuable and expert advice will make your decision later.

Murcott will look at the

entire picture, advising where radials are more suitable than conventional tyres and pointing out the best value for money in each category

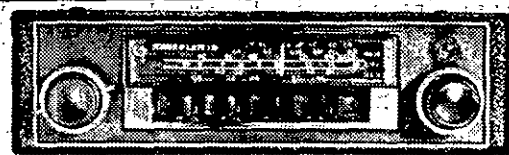

"The Age" special classified 'Accessories' feature will also look at the latest in 'hot-up' gear, what it does for your car performance and your pocket.

Jim Murcott will review the wide range of accessories available through the speed shops and will make a special point of reviewing heaters.

Don't miss "Auto Accessories" in "The Age" classified next Saturday.

Order with your news-agent today.

Limited Reprint Now Available

The Age Encyclopedic World Dictionary

Many "Age" readers were disappointed when our first print run ended last year. Due to the many requests for more copies, we have been able to negotiate a limited reprint, which is now available for "Age" readers only.

Just look at these exclusive features:

- ★ 50,000 more entries than its nearest competitor at half the price.
- ★ 1500 illustrations, 2½ million words.
- ★ 1856 pages, magnificent binding in red Buckram and rolled gold.
- ★ Size 10" x 6.3/4" x 2 1/2", weight 4 lb. 7 oz.
- The World Encyclopedic Dictionary published by Paul Hamlyn and "The Age" is bigger and better than any dictionary in English in its price range. It's the ONLY Encyclopedic Dictionary with all the new words that science has brought into our language... all the slang words and the Australian terms that never find their way into other dictionaries.
- ★ Definitions are given in order of current usage, not in historical order. Many scientific and technological definitions not in other general dictionaries.
- ★ Thousands of statistical, geographical, biographical and historical entries not normally found in a standard size dictionary.
- ★ A full coverage of Australian and New Zealand words, including many not previously recorded.
- ★ It contains vogue words (e.g. "psychedelic") slang words and archaic words.

- ★ It contains foreign words and phrases, abbreviations and symbols.
- ★ All entries are given in a single alphabetical list; compounds are treated as separate entries, not run on in the usual confusing manner.
- ★ Definitions have been carefully grouped and numbered.
- ★ A special pronunciation guide has been written by G. F. Arnold, of the Institute of Phonetics, London. The result is that this is a complete text reference book and gives a broader sweep of all areas of information than any other one-volume British publication. It is also an entirely up-to-date dictionary of common usage and is abreast of the fast changing English language. For the first time in 30 years you get a dictionary that has been taken to pieces and completely rebuilt to bring it right up-to-date. And note that word ENCYCLOPEDIA — it means that you will quickly find all the people and places who are just as important today as the new words — (it's not every dictionary that lists the Beatles!) Any comparable dictionary would cost more than \$13 and then you might miss the Australian words!
- John Clarke, B.Sc., Ph.D., Lecturer in Architectural Science, University of Sydney says: "This is the first relevant dictionary to appear in 30 years. I find it outdates them all. It's refreshingly easy to find your way about, and carries more scientific terms than I had ever thought to see in a

work like this. And it recognises that sex and slang have their place in our lives. A very good dictionary. And not before time. For the price, I do not know of any dictionary more suitable for students. It certainly could not have appeared at a better time." COPIES OF THE ENCYCLOPEDIA WORLD DICTIONARY ARE AVAILABLE AT OUR COLLINS AND SPENCER STREETS OFFICES FOR YOU TO LOOK AT. PLEASE ASK TO SEE THEM AT THE COUNTER. IF YOU WISH TO OBTAIN YOUR COPY PERSONALLY, SIMPLY TAKE A COUPON AND YOUR MONEY TO EITHER OF THE "AGE" CITY OFFICES, 250 Spencer Street, or 239 Collins Street.

\$13 WORTH OF VALUE ONLY \$6.95
(plus 70c certified postage)

To: "The Age", Box 257-C,
G.P.O., Melbourne, Victoria, 3001.
I enclose a cheque/money order/postal note for \$6.95 plus 70c certified and packing (total 7.65) for my copy of Encyclopaedic World Dictionary. I look forward to receiving my copy.

POP STAR — with Ron Coleman

Things are looking up

Things are looking up and we may soon experience a much healthier pop scene than we have known for the past few months.

Dances are coming back and rock concerts are retaining their popularity.

Good to see so many regular dances springing up in the western suburbs. Sunshine has Purple Spirit, the monthly happening at the Mariana Hall. Werribee has a new fortnightly Sunday dance with free buses running from Altona and Laverton; and there's talk of reopening the Y Dance in West Footscray.

Even youth clubs are running dances again. Brooklyn Youth Club ran one last Friday night featuring new Altona North group, Lucifer.

On the subject of rock concerts, following the success of John Pinder's Much More Ballroom happenings, Michael Gudinsky of the Entertainment Exchange has jumped on the bandwagon with Crazy Music Hall concerts, the first of which was held at Melbourne Town Hall last Sunday night.

The concert featured an amalgamation of Carson and Chain and premiered Carson's new record. Also appearing were Willy and the Philtones and the group with the electric violin, Mackenzie's Theory.

Altona blues group, Terraplane, appeared at Bertie's recently and have been approached by the Let It Be organisation to appear at concerts and Mike Rudd happenings.

Daddy Cool dropped back into Melbourne last week and their current record released in America is receiving saturation airplay in Melbourne.

By the time they make their Werribee appearance on July 9, they should have retained all their old fans and perhaps a few more.

Incidentally, D.C. are available for school lunch-time concerts at very fair rates.

Contact the Let It Be organisation if you're trying to raise funds. The number's in the white pages.

Mike Rudd and Murtceps, or, if you like, Spectrum, are currently putting down tracks for a single and an LP. Sounds exciting.

I've been told that one of Melbourne's most underrated bands is Highway here from New Zealand.

Haven't caught their act yet but from all reports this group must have something.

Perhaps if AEE gave them a bit more promotion there would be more bookings for this obviously talented act.

Every now and again, somebody a bit smaller invariably decides to have a bash and tackle the bigger pop agencies.

Keith Hughes is the latest, with Trogg Promotions.

Keith manages the new groups, Jade and De Sade, and is agent for a number of other up and coming groups. Good luck, Keith.

In conclusion, fuzzy-haired Georgie Sherenberg, guitarist with Terraplane and folk musician extraordinaire, has become the new idol of western suburban teenies.

Not since Johnny Ray and the bobbie-soxers have we witnessed anything like it.

Bye for now,
Ron.

SCHOOL FETE A SUCCESS

The canteen at the North Williamstown Primary School is now a step closer to completion.

A fete was held at the school on 11/6/72, with the co-operation of the school staff, parents, friends and local shop-keepers, the sum of \$1050 was raised.

Several competitions were held and the winners are as follows:
Sunglasses: Mrs. Ca-

libro, 2a Irving St., New-
port. Dressed Doll — 1st:
Miss Amanda Wilson, 3
Mariner St., W'stown.
Dressed Doll — 2nd: Miss

PUBLIC NOTICES

TOWN AND COUNTRY PLANNING ACT 1961.

Melbourne Metropolitan Planning Scheme. Melbourne & Metropolitan Board of Works. Notice of Application for a permit.

NOTICE is hereby given that an application (No. 64268) has been made by Ravello Constructions Pty. Ltd., 18 Kingsville Street, Footscray West, 3012, to Office of the MMBW, 5th Floor, 60 Market Street, Melbourne, 3000. For a permit in respect of the land situated and described hereunder: The purpose of the permit sought is as follows: Construction of two 16ft. wide vehicular crossings to the stand to serve a group of U-shaped, two-storey buildings containing a total of 31 flats, 62 car spaces, in accordance with the plan submitted with the application and available for inspection at the office of the MMBW, 5th floor, 60 Market Street, Melbourne, 3000.

Description of Land: Location: Municipal District Williamstown Township or Locality: Williamstown, Street The Strand, No. Eight (8), Crown allotment No. 9, Sec. — Parish Cut Paw Paw, Lot No. — Lodged Plan No. — Dimensions: Frontage 192' 1" to the west side of the Strand, depth 397' 3 1/2" and 322' 9", situated on west side of street, commencing 200' 0" South of Stevedore Street (being nearest joining or intersecting street). Title Particulars: Volume 2007, Folio 331. The application may be inspected at the offices of the MMBW, 5th Floor, 60 Market Street, Melbourne, 3000 during business hours by any person free of charge during the fourteen days following the publication of this notice and will be considered by the MMBW after the expiration of the said fourteen days. All persons who may be affected by the grant of the permit are called upon to lodge with the MMBW, 5th Floor, 60 Market Street, Melbourne, 3000, within fourteen days a statement in the prescribed form of any objections they may have to the grant of the permit. All such statements received by MMBW within the said period of fourteen days will be taken into consideration in the determination of the application. Copies of the prescribed form for the submission of a statement of objections may be obtained from the office of any Municipality in the Melbourne Metropolitan Area and from the office of the Melbourne and Metropolitan Board of Works, Planning and Highways Branch, 60 Market St., Melbourne, 5th Floor.

On behalf of Ravello Constructions Pty. Ltd. Date: 2/6/72.

Previous experience in these latter functions is essential.

Excellent working conditions in modern office at Paramount Road, West Footscray 5 day week, canteen.

Appointment please telephone Personnel Officer on 314 0444.

Fearons fear No-one

● Back row: B. Newgreen (president), J. O'Keefe, G. Garnworthy, R. Twomey, R. Tatlow, R. O'Keefe, A. Chiron, F. Hogarth (coach). Second row: A. Rolley (vice-captain), R. Cordell (captain), E. Toomey, R. Flaherty. Front row: W. Rhodes, M. Orr, G. Roberts. Absent: D. Allen.

And 100 wins in a row proves it

The Fearons have done it.

Williamstown A grade Lacrosse team, Fearons, have been talking, training and planning for their 100th, consecutive win.

And, last Saturday, the 100 was completed, at the expense of Malvern Blacks 24-14.

The Fearons have not lost an A grade match since 1967 and on present form they don't look like losing another match before 1977.

The line up is studied with stars and boasts five 'All-Australian Champions' — J. O'Keefe, A. Rolley, R. Twomey, E. Toomey, A. Chiron.

It is believed that the Fearons have set a record for the longest winning sequence of any Lacrosse team in Australia.

Fearons' leader

● Rod Cordell has been the Fearons' leader since 1967 and subsequently led them to their 100th consecutive win last Saturday.

Rod, 26, was an original member of Fearons' first "A" Premiership win, in 1963.

He has won the VALA Best and

Fairest Award on one occasion and represented the State three times — in Juniors, Colts and Seniors.

ELECTRICIAN

A vacancy exists at the PMA LIMITED Pigments Plant at Laverton for an A Grade Electrician.

Phone 399 1355.

Williamstown woman in education group

A Williamstown woman has been appointed convenor of the migrant facilities group of a newly formed education action committee.

Winter time is usually no time for the beach but Sandy Mitchell and brother Jimmy, 4, didn't mind the cold as they strolled along the Williamstown foreshore recently. Advertiser photographers were on hand to capture the scene.

RALPH NADER COMING HERE

American consumers' advocate Ralph Nader arrives in Australia on July 3 for a public speaking tour of four States.

He will visit Sydney, Melbourne, Adelaide and Brisbane for 14 speaking engagements.

Nader, 38, is regarded as one of the most influential public figures in the United States, where he is credited with initiating more legislation than any other individual.

The purpose of his Australian trip — sponsored by a committee of leading businessmen, academics and politicians — is to stimulate consumer awareness here.

His addresses will cover such subjects as the role

of the multi-national corporation, automobile safety and citizen participation in consumer affairs.

Nader's first stop will be Sydney where his two day itinerary includes a mass meeting at the Hordern Pavilion on July 3 and visits to both Sydney and Macquarie universities.

Next, Nader will visit Brisbane on July 5 for a public meeting at the Festival Hall.

In Melbourne on July 6, Nader will visit Melbourne and Monash universities and address a mass meet-

ing at the Festival Hall.

The next day, he will go on to Adelaide where he will address students at Adelaide and Flinders universities.

Nader will be accompanied by his chief associate, Mr. Theodore J. Jacobs, the executive director of one of Nader's Washington-based organisations — The Centre for Study of Responsive Law.

The Nader Committee, which is co-ordinating Nader's visit, is headed by Melbourne solicitor, Mr. Barry Jones.

She is Miss Dorothy Page of Stanley Street.

Miss Page, who is a teacher at Sunshine West high school, says the first objective of the group must be to assess the facilities available.

The group was formed at a special meeting following the highly successful Seminar '72.

The meeting decided on six main objectives.

These are: The involvement of parents in school activities, the full and best use of existing facilities, to campaign for facilities for teaching migrants, the formation of a research group to provide information on which campaigns for improvements can be based, the formation of a student group to enable students to have their views known and be involved in educational programme.

But perhaps the most ambitious objective is the decision to campaign for a university and teachers' training college in the western suburbs.

This was viewed as being particularly important following the decision by the University Commission to place Victoria's fourth university in the eastern suburbs.

Convenors have been elected by the education action group to cover all six objectives.

Festival of music at Trinity

A festival of music will be held at the Holy Trinity Anglican church on Saturday.

The festival will start at 8.15 p.m. in the church in Nelson Place, Williamstown.

The programme should appeal to lovers of light classical music with artists including Leslie Kerr, organ, Ian Lowe bass, James Pullan, classical guitar and the Queensberry singers.

The century-old blue-stone church is classified C by the National Trust and has excellent acoustics.

A ample car parking space will be available and the church is heated.

Tickets at \$1 can be obtained at the door, from Miss Hegarty on 397 6540, Mr. Cunningham or the Nelson Gallery on 397 7201.

Proceeds from the festival will be used for the vicarage's external restoration fund.

VIKINGS SCORE BIG VICTORY

Altona Vikings showed their strength as the power side of the Western Suburban Football League with a sizzling display over second-placed team Newport at the weekend.

Before the match both Altona and Newport were undefeated but at the end of the first round, the Vikings emerged clear favorites for the flag.

The pacy Altona side was upset by greasy ground conditions and found it hard to control play.

The big Newport side applied pressure throughout but lacked skill to capitalise on its spoiling tactics.

Altona must have handled the ball three times as much as its opponents but lack of cohesion on the forward line caused many elementary mistakes.

The Vikings had their first taste of pressure in the ruck where they were hard-pressed to hold their own and missed their previous dominance in this department.

The attacks seemed to materialise from the flanks but good defence kept the ball among the packs which suited the heavier and slower Newport.

The Viking defence was strong and seldom beaten. Enzo Valenti played his best game for the season with spectacular marks and well placed long kicks putting his side well and truly back on top.

Geoff Even was impassable at centre-half back, never putting a foot wrong and taking vital marks under pressure.

Alan Walgers played his

heart out for the 100 minutes in the role of ruck rover, displaying all his elusiveness and ingenuity.

Mal Tisdale was inspiring in the centre, with Russell Ewen dominating the back line with great clearing dashes from the back pocket.

Danny Brennan was a virtual blanket over Newport's forwards.

Carrying out his task to perfection he completely shut off any avenues to goal.

Gordon Wilson applied intelligence and purpose to great effect, winning many kicks from the packs and delivering the ball with remarkable accuracy.

The final scores were Altona City 11.12 (78) Newport 4.6 (30).

Goal-kickers: S. Chatfield 3, R. Morgan 2, I. McLeod, G. Munro, M. Crump, R. Schwabe, L. Egan and A. Walgers.

Seconds

The seconds were completely untroubled by Laverton on Sunday, taking their goals with apparent ease.

The final result would have been far greater had it not been for fiddling around by the Vikings in the second half.

Lethargy set in and the Vikings seemed content to just keep the opposition from the goal.

The folly of giving reserves a run in the last quarter was amply demonstrated in this match as Altona had players hobbling on the forward line and no one on the bench to replace them.

It was also hard to select prominent players as individuals appeared to take it in turns to dominate play.

One to put together 100 minutes of solid football was Stephen Grainger who displayed stamina-plus as well as winning kicks all over the ground.

Danny Brennan dominated the centre-half-forward position, being a class above the opposition.

Gordon McColl repelled any Laverton attacks and played the ball intelligently.

Ian Hardham was a busy rover, using blistering pace to leave opponents flat-footed.

Morrie Tisdale rucked well, winning every hit-out he contested.

Bill Devereaux, roaming far and wide, picked kicks up from everywhere and gave the team penetrating drive.

Dennis Boyle played strongly throughout and looks like shaping soon into first division material.

Kevin Fleet was creative on the half-forward line and Mick Oram battled all day and figured in some good passages of play.

Tom Hogan played well early but was hampered in the second half by an ankle injury.

David Berry was another who contributed, particularly in the first half.

Final scores were Altona City, 24.25 (169), Laverton 3.2 (20).

Goal-kickers: Hogan (5), Hardham (4), Fleet (3), Brennan (2), Grainger (2), Oram (2), Devereaux (2), Stiles, Boyle, Boyd, Berry (one each).

Under 18

The under 18 division of the WSFL is in the unfortunate position of having only four teams and to make matters worse, West Newport again failed to field a side and Altona received a walkover win.

The training squad for the combined side to play Bacchus

Marsh League at Newport oval on July 9 has been selected and Altona players with a guernsey are Mal Tisdale (capt., coach), Alan Walgers, Ian McLeod, Steve Chatfield, Vic. Pateras, Marty Crump and Ron Schwabe.

Bonanza 72, ninth draw: 71-201, 47, 43, 176, 76.

Award

Robert Thomas Motors Awards:

First division: Valenti (5), Ewen (4), Walgers (3), Mal Tisdale (2), R. Ewen (2).

Second Division: Grainger (5), McColl (4), Devereaux (4), Hardham (3), Morrie Tisdale (2).

Progress Votes:

First Division: McLeod (23), Mal Tisdale (23), Chatfield (17), Crump (16), Schwabe (15), Walgers (11), Wilson (10), C. Ewen (10).

Second Division: Devereaux (19), Hogan (17), Grainger (15), Oram (12), Berry (12), Fleet (11), Male (9), McColl (9).

Under 18: Marshall (17), Hampton (15), Payne (13), O'Connor (10), Maki (9), Starcivic (8), Churchill (6).

Under 16: Hyett (17), Paone (17), Sorrell (16), Knight (13), Nicholls (12), Jones (11), Mel-denhall (8).

PIGEONS GET TOGETHER

A new organisation has been formed in the western suburbs, called the Western Pigeon Federation.

Since its inauguration the federation has received overwhelming support from local clubs.

The boundary runs from the bay and covers all western suburbs.

Members have voted an able team of experienced flyers to the executive.

The election of Mr. Hilary Ashley to the position of general secretary was unanimous.

Mr. Ashley has been a keen sportsman, having been an amateur wrestler, weight lifter and bike rider.

His main sporting interest has been a lifetime of flying racing pigeons.

Mr. Ashley points out that the Western Pigeon Federation will be completely democratic.

Executive policy will be determined by majority vote of equal representation from all clubs.

The President, Mr. Des Shooter, comes from a pigeon racing family.

His brother, father and grandfather having all been flyers.

Des, a returned serviceman, was also handling pigeons during the war.

As a ship's wireless operator it was his duty to send coded messages by homing pigeons when at sea, owing to the need to maintain radio silence.

Transport is in the capable hands of Mr. Keith Sagers, who has made several interstate trips collecting new ideas.

He has just completed an ultra modern transporter incorporating all the latest innovations.

For convoyer, the federation was fortunate enough to secure the services of Mr. Harry Sad-dington, who has had 13 years' experience conveying in NSW and Victoria.

He maintains that with a separate liberation for the new federation, western flyers will be clocking much higher velocities and birds will be able to show their true capabilities.

Mr. Perce Roberts, who is widely recognised as an expert in his field, was elected clock marshal.

Mr. Roberts has dedicated a lifetime to the advancement of the sport.

All clubs and members are enthusiastic about the new federation and any flyers who join before June 22 will become known as foundation members and be presented with a scroll, upon which their names will be listed in alphabetical order.

Any inquiries about the federation are to be made to the general secretary, Mr. Hilary Ashley (391 1843).

SEAGULLS TURN ON POWER TO CRUSH DANDY

Despite the late withdrawal of ruckman Mike Bastian and rover Kevin Egan from the Seagulls team, the Gulls slogged on and ran out comfortable winners over Dandenong by 29 points.

Umpire Gambetta had charge of the game and the Gulls elected to kick to the battery end.

The Gulls let Dandy in early, but tightened up later and led by 26 points at the first change. Greg Boxall and Ron Fenton were playing well and they were ably supported by Graeme Hemley.

The second term saw Dandenong come back at the Gulls with five quick goals and if not for Papley and Boxall, they would have scored more.

At the interval, Gulls had lost some of their early prestige and lead by only one straight kick.

The third term was all Williamstown, as they went merrily on their way, seeming to be in the right place at the right time, and at orange time they had doubled Dandenong's score.

Papley was into the game more and players such as Fenton, Boxall, and Radzinski were turning on the power.

Williamstown kicked into a stiff breeze in the final term, but surged on, not allowing Dandy to take advantage of what wind assistance they may have had.

Mulligan kicked two goals and Hemley was dominating in the ruck.

In fact, Brown, for Dandenong looked the only opposing player to form any threat at all, as the rest seemed lethargic and disinterested.

Scores: Williamstown 19.17 (131) d. Dandenong 14.18 (102).

Goals: Mulligan 4, Radzinski 3, Jckman 3, Hemley 2, Stillman 2, Noble 2, Papley 1, Fanning 1, Collins 1.

Best: Greg Boxall, Graeme Hemley, Ron Fenton.

The Gulls have a bye next round and the week after they will play Oakleigh for the right to head the top of the ladder.

SECONDS

The Williamstown seconds were no match for the stronger, more mobile Dandenong team.

Scores: Dandenong 19.16 (130), Williamstown 10.11 (71).

Goals: N. Stillman 2, Cocks 2, A. Richards 2, Hynes 2, Groves 1, McTaggart 1.

Best: Neil Stillman, Brian Kenny, Andy Richards.

Votes to date:

Meyers 9, Anstey 6, Joniec 6, Wallace 5, N. Stillman 5, Henley 3, Kenny 3, James 2, McTaggart 2, Hynes 2, Jarrad 1, Whittington 1, Groves 1, Radzinski 1, A. Richards 1.

Two stars missing made no difference

LIFE SAVING CLUB NEWS

A recent meeting of the life saving club, under the chairmanship of Mr. Roy Edwards, decided that winter swimming would commence on June 14 (tonight) at the Blyth Street swimming pool at 7.00 p.m.

The club presentation night last Saturday week, was again a success and all who attended enjoyed a pleasant evening's dancing and buffet supper.

Altona Council was represented at the presentation night by Crs. Pat Burns and Les Crofts and their wives.

Deputising for Altona's Mayor, Cr. Pat Lynch, Cr. Burns congratulated the club on the wonderful and unselfish work it carries out.

He said that the young members of the club were doing a fine job for Altona.

He added: "Altona Life Saving Club is held in high esteem by all councillors and it is always a pleasure

Baseballers win well

Williamstown firsts had a convincing win over Flemington, scoring 11-4.

After a slow start the team came back with good batting and A. Harris (three hits) was supported by teammates P. Bowyer, F. Bowyer, Treadwell, Horsborough, Parnaby and Johnson (1 hit each).

The seconds moved into the four also after notching their fifth consecutive win.

This young team is combining well and looks much like premiership material. Hits: Saker, Humphries, Massey (two each), Collins, Flower, Caldwell.

The thirds held their position in the four by beating Flemington 4-3.

Next week: Firsts and seconds, away, Kalang Street, Reserve, Blackburn. Thirds play at home at 1.30 p.m.

to take part in these functions".

Cr. Crofts then presented members of the club with awards gained by them this season and Cr. Burns presented a trophy for swimming events won at the club championship.

Miss C. Shaw, who for the first time in the club's history was outright club champion, was given a rousing reception when she stepped up to receive her trophy.

The three special trophies for the most improved, best senior and best junior were presented by the club president, who spoke about the trophies and what they represented.

In conclusion, Cr. Burns informed those present that he would request Altona Council to invite the trophy winners as guests

A mixed bag for Spotty

The Spotswood Football Club under 13 and 11 teams returned mixed results in Saturday's matches.

The under-13 defeated Albion by 30 points, but the under-11 team lacked experience and was easily accounted for by an older St. Albans combination.

UNDER-13
Spotswood 8.11 (59) d. Albion 4.5 (29). Goals: Lynch 3, Martin 2, McTaggart 2. Best: Andressen, Davies, Lynch, McTaggart, Martin, Mackel, Wheeler.

UNDER-11
St. Albans 6.7 (43) d. Spotswood 0.2 (2). Best: Hecroft, Brooks, Cahill, Harwood, Pat Hinds, Maybin, Stewart.

at a meeting of council, so that their trophies could be seen by all.

The trophy winners were: Most improved — M. Grainger, best junior — E. Pilbeam, best senior — D. Shanahan.

A vote of thanks was due to Mr. and Mrs. Pilbeam who provided stereo music for the presentation night.

Results of the club's recent special effort were: No. 1, D. Edwards, No. 2, G. Walker, No. 3, B. Hibberd.

WILLY METHS BEAT THEIR OLD RIVALS

After an even first quarter, Williamstown Meths forged ahead and cut traditional rivals, Newport, to pieces.

Scores: W'town Meths. 11.8 (74), Newport Meths. 5.10 (40).

Goals: R. Bult 6, J. Bloom 1, R. Lawerson 1, R. Nicholls 1, J. Hale 1, D. Holdsworth 1.

Best: R. Nicholls, N. Elly, B. Smith, J. Funston, P. Bell, R. Wendt.

UNDER-16.

W'town Fourths 12.9 (81) d W'town Meths. 6.10 (46). Goals: P. Miller 3, S. Vasil 2, D. Norman 1. Best: R. Rowley, T. McVeigh, S. Vasil, S. Kristopoulos, G. Ravenscroft.

A barbecue was held before the game between the past and present players on Monday, June 6. Incidentally, the present players scraped home by three points.

Lacrosse team wins its 100th game in a row

Williamstown Lacrosse Club's A Grade team, Fearons, had no trouble in defeating Malvern Black and notching their 100th consecutive win last Saturday.

The outcome of the game was never in doubt.

Fearons opened brilliantly and applied relentless pressure for the remainder, never allowing Malvern Black to get into the game at any stage.

Hicks goals: Mills 4, Penrose 3, Kline 2, Bold 2, Murray 2, Godley 1. Best: Mills, Godley, Kline. Deacons goals: Denniston 5, Pepper 1, Fewster 1. Best: Fewster, Denniston, Lower.

Footscray Park d. FIT, 13-10. Foots. Park goals: Ball 5, D. Clark 4, G. Do-raine, L. Clarke, Timms, hit in 1. FIT goals: Richards 7, Lawson 2, Walker 1. Best: Lawson, P. Do-rane, Chartaz.

DETAILS

A GRADE

Fearons d Malvern Black, 24-14. Goals: D. Allen 8, E. Toomey 6, R. Cordell 3, R. Toomey 3, R. Flaherty 2, M. Orr 1, A. Rolley 2. Best: A. Chiron, D. Allen, R. O'Keefe.

Surrey Park White d City, 21-10. Goals: G. Spicer 3, L. Jeremiah 2, R. Tregear 2, C. Addy 2, J. Bunnett. Best: L. Jeremiah, R. Butkiewicz, J. Harris. Deacons were defeated by Caulfield — no details to hand.
